A trip around the world Suite-Style

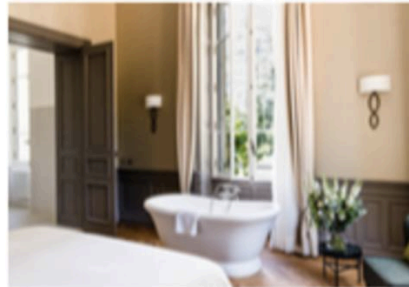

The Paragon Suite at Paragon 700 Boutique Hotel & Spa

Paragon 700 Boutique Hotel & Spa, an elegantly restored red palace in the heart of Puglia's White City, Ostuni, is set to open this April. The unique Paragon Suite features 7m high cathedral ceilings, a sunken bathtub and a grand open fireplace with two doors leading to a large terrace with garden. In contrast to the whitewashed buildings of Ostuni, Paragon 700's red brick façade cocoons a lush garden and swimming pool, a rare green space in the heart of the city, offering a tranquil and exclusive oasis just five-minutes from Ostuni's main square. www.paragon700.com

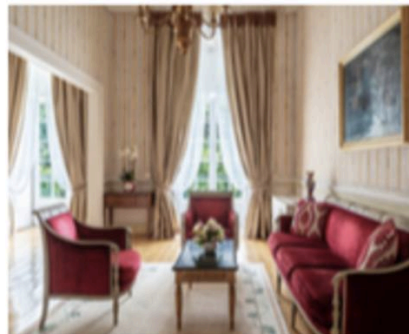

The Eugène Collain Suite at Château de Montcaud

Named after Eugène Collain, "father" of Château de Montcaud, this Junior Suite on the ground floor has a silk theme to honor its origin as a silk trader's mansion. The suite, which is made up of a single large room with ceilings nearly five meters in height, is not simply a place to stay and sleep - thanks to the free-standing tub with a view of the park, it is also the perfect place to relax. www.chateaudemontcaud.com

The Presidential Suite at Tivoli Palácio de Seteais, Portugal

The Tivoli Palácio de Seteais, with its unparalleled and privileged views of Sintra, has 30 individually personalised rooms which are all exquisitely decorated. The 47sqm Presidential Suite with its grand double bed, XVIII and XIX century decor and Dona Maria style furniture is home to a large living area, an open-space office, relaxation spot plus a balcony offering an outstanding view of the swimming pool. www.tivolihotels.com/ervivoli-palacio-de-seteais
