Paragon 700 Boutique Hotel & Spa, Ostuni

It's not hard to spot Ostuni's new boutique hotel Paragon 700 – the restored palace's red brick façade stands in stark contrast to the city's otherwise whitewashed buildings. Each of the 11 guest rooms is different, some offering terraces, balconies or in the case of the top-billed Paragon Suite, a sunken bathtub and private terrace with sun loungers. It's worth noting that this is the only hotel in the heart of the White City to offer a swimming pool and garden. The spa is no slouch either – the palace's former water chamber has been transformed into an inspired space that offers a Turkish bath, Himalayan salt wall, multi-sensory shower and a natural whirlpool dug into the ground.
